

# CORPORATE SPONSORSHIPS

Companies can support the Oregon Coast Aquarium's mission to create unique and engaging experiences that connect people to the Oregon coast and inspire ocean conservation.

By supporting the Aquarium, businesses can impact the next generation of scientists, fisheries, veterinarians, climatologists and the multitudes that rely on ocean waters and marine life.

Corporate sponsorships provide exciting opportunities to achieve targeted marketing and meet community investment goals that align with the philanthropic mission of your business.

Whether sponsoring an event, underwriting an exhibit, supporting a program, or building a facility, corporate contributors benefit from high-impact visibility and recognition.

The Oregon Coast Aquarium is a 501(C)(3) nonprofit organization. Our nonprofit EIN# is 93.0877807. For tax purposes, businesses may deduct the sponsorship amount minus the fair market value of tangible benefits received. We encourage you to seek the advice of a tax professional to ensure the tax-deductibility of your gift.
